

What you are looking for:

You want to **deepen your management knowledge** and develop your portfolio of leadership skills?

You want to **boost your career objectives and gain promotion**, or start your own business?

You want to **manage your current work, private life and a higher education** programme all at the same time?

You want to **expand your network** and improve your expertise while working with both academic lecturers and experienced business professionals?

What we are looking for:

You are a business professional with ambition and high potential.

You have already gained some years of experience within the industry.

You are willing to study at your own time and place with the help of our extensive student platform and online library.

You have good English language skills and are looking forward to become even more fluent in the world of business.

It's a match!

Then you will find the perfect solution with our MBA. The 24 month part-time programme offers a unique combination of self-organised e-learning and nine face to face weekend seminars in Germany (various locations) and London from Friday to Sunday. Each academic year starts with one week of intensive group seminars in the heart of London.

Teaching content:

- Strategic Planning
- Strategic Change Management
- Strategic Management and Leadership
- Professional Development for Strategic Managers
- Financial Principles and Techniques
- Strategic Quality and Systems Management
- Strategic Marketing Management
- Ethics for Business
- Integrated Marketing Communications
- Human Resource Strategy
- Global Corporate Finance and Governance
- Research Methods for Managers
